

## Solarize West Linn/Lake Oswego

Solarize West Linn-Lake Oswego is a community drive project that simplifies the process of going solar in West Linn and Lake Oswego.

You can learn about solar and the savings through the bulk purchase of solar equipment. Attend a community workshop to learn about different solar technologies, as well as the tax credits and incentives that are available to lower the cost of a solar system. You can learn if your home is a good fit for solar by attending a workshop or signing up for a free solar assessment of your home.

### Upcoming Events:

- **Solar Basics Workshop**, Tuesday, July 24th, 2012, 6:30-8:00 pm

Marylhurst University, 17600 Pacific Highway, Marylhurst, OR 97034 (Old Library - Rm. 200, BP John Administration Building 4)
